In an effort to STOP internet fraud, we highly recommend that you DO NOT send funds to someone who cannot allow you to enter the home for a showing. If you live out of the state and cannot verify a rental, we urge you to perform a Google search on the address. This should reveal the true rental listing agent. You may want to drive by the property to see if there is a sign indicating the true rental listing agent, although many association communities do not allow signage.

PET POLICY
